Dear Parents,

Fraternity and Sorority Life is a vital component of the campus and adds considerably to the opportunities for students to engage in the UCF community. UCF is fortunate to have a multitude of chapters that operate under the guidance of four student-led governing councils, as well as Greek Council and the professional staff in the Office of Fraternity and Sorority Life, in the Division of Student Development and Enrollment Services. We are proud of the many contributions that our fraternity and sorority chapters provide to our university and our community.

We would like to inform you that Sigma Pi Fraternity and Alpha Epsilon Pi Fraternity are no longer affiliated with the university as registered student organizations and are no longer under the oversight of our institution. As unrecognized organizations, Alpha Epsilon Pi and Sigma Pi can no longer: participate in the Interfraternity Council or any of its programs; participate in Office of Fraternity and Sorority Life programs; co-sponsor events or collaborate on programs with any fraternity or sorority that is recognized; or participate in any university-sponsored activity such as intramurals or any activity sponsored by a recognized student organization. These organizations may not reserve any space on campus and cannot reference "University of Central Florida" or use its branding.

It is important that you have this information so that you can advise your students about their involvement with these organizations as either members or participants in any activities sponsored by them.

Please note that a complete list of chapter statuses, including fraternities and sororities in good standing, may be found on the Office of Fraternity and Sorority Life website at <https://fsl.sdes.ucf.edu/chapter-standings/>.

If you have any questions, please contact Dr. Viancca Williams, Director of the Office of Fraternity and Sorority Life, at Viancca.Williams@ucf.edu.

Please be safe and be well.

Sincerely,

Maribeth Ehasz, Ph.D.

Vice President, Student Development and Enrollment Services
