FSL is committed to the success of new member education and intake programs throughout our Greek community. In an effort to encourage development of our fraternity and sorority members, we require all DGC, IFC, NPHC, and Panhellenic member organizations to report their new member education and intake process to Fraternity and Sorority Life. It is our priority to ensure the safety and well-being of our students, fraternities and sororities, local community, and the University.

Here is a guideline to assist you in your submission.

1. A specific outline (syllabus) detailing all optional and/or required activities included in the new member period. This should include but is not limited to:

- Meetings
- Activities – ALL activities optional and/or required by new members

- Type of Activity
- In-person or Virtual
