

Fraternity and Sorority Life Event Policies and Procedures Spring 2023

Purpose

The purpose of the Fraternity and Sorority Life (FSL) Event Policies and Procedures is to assist fraternities and sororities at the University of Central Florida (UCF) with the planning and execution of safe events using event planning best practices and fraternity/sorority industry standards. This policy provides an overview of expectations and processes to ensure harm is reduced and safety is prioritized at events facilitated by fraternities and sororities at UCF. Following the FSL Event Policies and Procedures will promote compliance with federal, state, and local laws. Complying with these policies, university policies, (inter)national organization policies, and laws may reduce the risk incurred on all chapter members, chapter officers, and volunteers at any event associated with a fraternity or sorority from UCF.

Training

Each semester, the Office of Fraternity and Sorority Life will provide a Social Event and Sober Monitor Training Session. It will be mandatory for the **President, Vice President, Risk Management Chairperson, Standards/Judicial Chairperson, and Social Chairperson** from each chapter to complete this training before any social events may be registered and held by a chapter (should a chapter's structure not include a Risk Management Chairperson and/or a Social Chairperson, then another member from the chapter's Executive Board must replace that participant, ensuring that at least five (5) executive board members from the organization are in attendance). Additional members who will be serving as Sober Monitors are expected to attend these training sessions before social events with alcohol take place; exceptions to this clause may be granted for chapters whose (inter)national organization requires a sober monitor training to take place prior to any events with alcohol taking place.

If another member who has not attended the trainings submits a form with their name on it, the form will not be considered submitted and the event's registration will be denied. Should a member who has not attended the training submits a form that falsely identifies themselves as a member who has attended the training, the organization will be referred to the Office of Student Conduct and Academic Integrity.

Education

To cultivate a safe and responsible environment at all events, individual chapter members will receive educational training sessions on alcohol and other drugs, sexual assault prevention, and bystander intervention in addition to participating in the Safe Event and Sober Monitor Training. It is the responsibility of the individual chapter to offer and promote these trainings to chapter members and assure attendance by designated members for OFSL and/or council sponsored trainings.

Briefing and Debriefing

Each type of program deemed as an event by the Office of Fraternity and Sorority Life will be preceded with a briefing meeting with the organization's chapter coach or designated FSL professional staff member to discuss logistics, sober monitors, requirements, and expectations. Each chapter is required to have a briefing meeting for every type of event (Socials, Date Functions, Overnights, Semi-Formal, Formal, etc.) they plan on hosting/co-sponsoring.
