

Moratorium: A moratorium is a temporary prohibition of an activity. The moratorium periods used by Fraternity and Sorority Life are implemented during times in the academic term/year when student members' primary focus should be their academics, in between terms, throughout the summer terms, during University closures, etc. There are three levels of moratorium:

Level 1: Chapters cannot host/co-host any events during Level 1 moratorium.

Level 2: Chapters can only host/co-host educational/academic and/or service events that do not involve alcohol during Level 2 moratorium. Other "dry" events that don't not fall into the above categories would need to get written approval from OFSL.

Level 3: Chapters can only host/co-host events that do not involve alcohol during Level 3 moratorium.
