

FSL EVENT POLICIES AND PROCEDURES

PURPOSE

The purpose of the office of Fraternity and Sorority Life (FSL) Event Policies and Procedures is to assist fraternities and sororities at the University of Central Florida (UCF) with the planning and execution of safe events using event planning best practices and fraternity/sorority industry standards.

This policy provides an overview of expectations and processes to ensure harm is reduced and safety is prioritized at events facilitated by fraternities and sororities at UCF. Following the FSL Handbook and Event Policies and Procedures will promote compliance with federal, state, county, and local laws.

Complying with these policies, university policies, (inter)national organization policies, and laws may reduce the risk incurred on all organization members, chapter officers, and volunteers at any event associated with a fraternity or sorority from UCF.

DEFINITION OF AN EVENT

- An event is anything deemed to be within the scope of a chapter function, on or off university property, that involves a gathering of members and/or guests of the host organization.
- Events may or may not include alcohol and are expected to follow this policy and related procedures, all (inter)national policies, and local, county, state, and federal laws 24 hours a day, 7 days a week, 365 days a year.
- If a reasonable person would consider the gathering to be hosted or co-hosted by your organization, it is an event.
- A gathering of six (6) or more individuals of the same fraternity or sorority could be considered an event. Any gathering of a chapter/colony with a membership size below six (6) could also be considered an event.
- Any event hosted by an organization must be registered through the SERF form: <http://serf.sdes.ucf.edu>.
- Events occurring on campus with a heightened risk (see lists below) must be completed using the SAFE form (<https://safe.sdes.ucf.edu/>).
- Depending on the level of risk and/or execution of the event, a Supplemental SERF form may need to be submitted to FSL. If a Supplemental SERF form is completed, a briefing must be coordinated with the organization and their Chapter Coach within three (3) days of the event.
- Any organization that sponsors an unregistered event may be assessed a fine and may be placed on a "Prohibitive Standing" by FSL for an amount of time that is to be determined. Additional disciplinary actions may be taken by the office of Student Conduct and Academic Integrity (SCAI).

MORATORIUM

Previously, in Way Forward and Way Forward 2.0 Moratorium was utilized to determine the community's responsibility to alcohol and other high-risk activities.

Currently, the Moratorium periods are used by FSL to implement during times in the academic semester/year when member's primary focus should be on academics. There are currently three levels of Moratorium:

- Level 1: Organizations cannot host/co-host any events during this time. Exceptions can be made for recruitment events and Founder's Day events.
- Level 2: Organizations can only host/co-host educational/academic events, service/philanthropy events, and recruitment events during this time. These events must be "dry" events meaning that no alcohol is allowed at any of these events.
- Level 3: Organizations can only host/co-host any events that do not involve alcohol during this time (dry events).
- Moratorium dates will be listed on the FSL calendar. These dates should be taken into consideration when planning events for a given organization.
- *Organizations may submit an event that falls during the Moratorium period for approval. All details and required documentation must be included to be approved. Wet events will not be approved during Moratorium timeframes.*

EDUCATION AND TRAINING

Each semester, FSL will provide a series of training opportunities for organization representatives. These trainings should be completed before any social event may be registered and held by an organization. Determination will be made by FSL regarding expected and in some cases required attendance.

To cultivate a safe and responsible environment at all events, individual organization members will receive educational training sessions from FSL and campus partners on different topics which focus on safety and harm reduction in addition to participating in the Safe Event and Sober Monitor Training. The individual organization is responsible for offering and promoting these trainings to organization members and assure attendance by designated members for FSL and/or council sponsored trainings.

SAFETY ACTION FOR EVENT (SAFE) POLICIES

The Safety Action For Event (SAFE) is a form that captures events with a heightened risk occurring on the UCF campus. Only on-campus events that include a high-risk element (as defined by UCF - <https://safe.sdes.ucf.edu/>) require a SAFE form.

SOCIAL EVENT REGISTRATION FORM (SERF)

The Social Event Registration Form (SERF) is a form that captures events that are occurring throughout the UCF Greek Community. This form captures events that are held on and off campus. - All signatures required at least ten (10) calendar days prior to the event.
